POLICIES & REGISTRATION INFORMATION

EarthWays (EW) fills our programs on a first-come first-served basis. Registration requires a deposit and holds your place in the program you have selected. For the benefit of all, EW screens participants to insure compatibility with our programs that can sometimes be physically and psychologically challenging, especially the outdoor daylong and overnight programs. We require participants to be in good physical, mental and emotional health, appropriate to the particular program of enrollment. EW reserves the right to refuse enrollment based on our assessment of these and other criteria. If you are not accepted for enrollment, your deposit will be refunded in full.

Policies

Please take the time to carefully consider your decision to enroll in one of EW Programs; this decision represents a commitment to yourself and to us. Regarding our outdoor programs, we have found that it is common and even appropriate for fear and resistance to arise when you are preparing to step out of your ordinary life and go into nature alone: obstacles, (real or imagined, inner or outer), may present themselves to you and it may seem impossible or too frightening to proceed with the program. These obstacles and fears are an important part of your experience, and can serve to help you become clear about what your call to the wilderness means to you. Obstacles can pave the way for the insights and growth you will bring back to your daily life.

Deposits: Each EWs program requires a deposit. Refer to each program for deposit amount. Deposits are non-refundable at any time, unless we cancel the program or you are not accepted into the program.

Cancellation: If we are able to fill your reserved space from the waitlist your enrollment fee minus the deposit will be refunded to you.

Fees and Payments: Please make the requested deposit for each program or pay the entire fee upon enrollment. If you pay the deposit only, the final payment for your program is due on the first day. Checks made out to EarthWays.

REGISTRATION PROCEDURE:

Please complete the registration form and send it, along with your deposit or full fee payment, to the EarthWays address above. Please indicate which program you are registering for on the outside of your envelope. Once we receive your registration and deposit, we'll contact you with all the information you'll need to begin preparations for your EarthWays program.
